

DECCAN VEHICLE WORKSHOP 10 AUGUST 2026

A New Milestone Towards Faster Service, Greater Accessibility and Enhanced Customer Satisfaction

York India marked another important milestone with the inauguration of the Deccan Vehicle Workshop on 10 August 2026. The workshop was inaugurated by Mr. Gurumukh Singh, Managing Director of York India, in the presence of Mr. Kalaikumaran, York Head - Service & Spare Parts, Mr. Sachin Punekar and Mr. R. S. Patil, Directors of Deccan Vehicle Pt. Ltd., along with the York sales and service team and valued customers from the transport and fabrication industry.

During the ceremony, Mr. Gurumukh Singh shared York India's future strategy and upcoming product developments. He highlighted the company's vision of building a strong service network across India, ensuring that every York customer receives timely, reliable and satisfactory service support wherever required.

Strategically located on NH48 Ahmedabad - Vadodara Highway, Ranoli GIDC, inside the Vadodara, the new workshop has been developed to provide comprehensive service support to York customers. The facility includes a spacious workshop area with a covered service section comprising **4 concrete bays, each 50 feet long**, enabling multiple vehicles to be serviced efficiently.

The workshop is equipped with advanced facilities, including an **electronic wheel alignment machine, hydraulic tools for bush replacement**, and a to provide faster on-site customer support. It also features a dedicated product display arca and **1,000 sq. ft. spare parts arca**, ensuring better product visibility and improved availability of essential spare parts. A dedicated washing bay further supports efficient vehicle servicing and maintenance.

With its growing network of service centres, trained technicians, service vans and improved spare parts availability, York India is committed to reaching customers quickly and providing dependable support across the country.

The inauguration of Deccan Vehicle Workshop reflects York India's continued commitment to being closer to its customers and ensuring better service, faster support and greater customer satisfaction.

A Partnership Built to Perform

Driving India's Commercial Transport Forward with Engineering Excellence

Shyam Industries, established in 1995 under the leadership of Mr. Krishnaatma, Chairman & Managing Director, has grown from a local workshop into a modern commercial vehicle manufacturing enterprise. With more than 132 employees, the company manufactures 500+ trailers annually equipped with York products, reflecting its strong manufacturing capabilities and commitment to quality.

A Strong Partnership with York

Shyam Industries and York Transport Equipment (India) Pvt. Ltd. share a common focus on **quality, reliability, innovation, and customer satisfaction**. York's axle and suspension solutions support Shyam Industries in building trailers that deliver **payload efficiency, durability, safety, and dependable performance**.

The partnership brings together **Shyam Industries' manufacturing expertise and York's proven axle and suspension technology**, creating application-focused solutions for India's evolving commercial transport needs.

Driving the Future Together

Together, Shyam Industries and York India continue to strengthen the commercial vehicle industry by delivering **robust, efficient, reliable, and sustainable transport solutions**-creating value for manufacturers, fleet operators, and customers across India.

Celebrating the Spirit of Freedom

Celebrating the Spirit of Freedom at York India

PRIED • UNITY • PATRIOTISM

York India proudly celebrated the 80th Independence Day of India with great enthusiasm, pride, and patriotic spirit. The celebration began with the proud holsting of the Indian National Flag, creating a moment of unity and national pride among all employees.

Employees participated in the celebration wearing colourful traditional attire, reflecting India's rich cultural diversity and the spirit of unity. Adding to the excitement, employees took part in a fun question-and-answer game based on India's history, culture, national symbols, and heritage, making the celebration both engaging and informative.

Our Managing Director, Mr. Gurmukh Singh, delivered an inspiring speech and shared motivating stories of India's freedom fighters and their sacrifices. His words encouraged employees to carry forward their values of courage, determination, dedication, and commitment in both their personal and professional lives.

To make the celebration even more special, chocolates and gifts were distributed to employees as a gesture of appreciation and to share the joy of the occasion. The celebrations brought everyone together and created a memorable atmosphere of camaraderie and patriotism.

The event was a proud reminder of our nation's glorious journey and inspired everyone at York India to contribute towards building a stronger, progressive, and brighter India.
