We are using York axle over 2+ years in our products (Chassis No- SD11415TT48100039, BD12916VT08100258, BD12916VT08100259 and BD113116DB40100260)

Our Experience with York aggregates and also after sales support is excellence and appreciable. After using York axle, we have reduced the vehicle down time and increased the tire life in our manufactured products.

We are really thankful to York team for providing us expertise aggregates which is suitable for our product application.

Also we ensure that we will continue using the York brand in our up-coming products.

Sincerely,

Production Manager
