

New milestone in Rajasthan.

One Step Ahead in Service: York Expands Its Service Network

York has taken a significant step forward in strengthening its service network with the inauguration of **Trailer World**, an authorized trailer service centre at **Palu, Jaipur Rajasthan**.

The inauguration ceremony was graced by **Mr. Andreas Richter**, President - APAC, along with **Mr. Gurumukh Singh**, Managing Director - York, **Rahul Bitliwala**, **Mr. Ashish Rara**, Owner - **Sheetal Motors** along with the York sales and service team and our valued customers **Tanushree Logistics**.

With this new authorized service centre, York is reinforcing its commitment to the service sector by offering end-to-end trailer service solutions under one roof. Customers no longer need to wander from place to place for different service requirements - **Trailer World** provides a one-stop solution for all trailer-related service needs, ensuring convenience, efficiency and reliable support.

York continues to move one step ahead in service excellence, focused on delivering seamless and customer-centric solutions.

Customer Spotlight:

Super Sonic Logistics Pvt. Ltd.

With over three decades of excellence, **Super Sonic Logistics Pvt. Ltd.** stands as a leading transporter of iron and steel products in India. Under the dynamic leadership of Managing Director **Akash Mittal**, the company has flourished and strengthened its position in the logistics industry.

Mr. Akash Mittal

MD - Super Sonic Logistics Pvt. Ltd.

Headquartered in India with a strong presence across Eastern India and supported by a robust pan-India operational network, the company ensures seamless cargo movement across key industrial corridors, delivering reliability, efficiency, and operational excellence to its valued clients.

The company proudly operates a fleet of **450+ heavy-duty trailers**, equipped predominantly with advanced York air suspension systems.

This commitment to quality engineering enhances load stability, safety and operational efficiency, ensuring reliable transportation of critical steel consignments.

Over the years, Super Sonic Logistics has earned the trust and long-standing association of industry giants such as **Tata Steel, Jindal Steel and Power, BHEL, and BCPL.**

A key strength behind timely deliveries and operational consistency is the comprehensive pan-India YORK service network, which supports fleet maintenance and minimizes downtime. This nationwide service backing enables Super Sonic Logistics to maintain strict timelines, optimize vehicle performance, and deliver dependable logistics solutions to its valued clients.

York Empowers Special Children Through CSR Computer Donation

As part of its Corporate Social Responsibility (CSR) initiatives, York proudly donated computers to **Dr Devendra Ohara Niwasi Matimand Vidyalaya**, with the objective of supporting inclusive education and digital learning.

This initiative reflects York's commitment to empowering differently abled children by providing them access to technology that enhances learning, communication and skill

development. In today’s digital era, computers play a crucial role in helping special children improve cognitive abilities, develop basic computer skills, and engage in interactive learning experiences. this support will help students build confidence, independence, and better preparedness for the future.

At York, we strongly believe that every child deserves equal opportunities to learn and grow. Through this CSR activity, we reaffirm our dedication to social responsibility and community development by contributing meaningfully to the education of special children.

York extends its sincere appreciation to the management and staff of Dr Devendra Ohara Niwasi Matimand Vidyalaya, for their cooperation and for the remarkable work they do in nurturing these young minds.

Badminton Tournament Organized by York

York organized a Badminton Tournament to motivate employees and promote a healthy work-life balance. Staying true to its vision and professionalism, York consistently focuses on employee well-being alongside performance and productivity.

To encourage a healthy lifestyle and enhance employee engagement, York regularly organizes multiple activities that support both physical fitness and workplace productivity. Starting the new year on an energetic note, York kicked off 2026 with a **Badminton Tournament held on 17 January 2026.**
